

## **MAYOR'S NIGHT IN**

Mayor's Night In is an opportunity for the Mayor to meet with citizens and give them a chance to express concerns, address problems, or present innovative ideas. Each citizen who attends has a one on one meeting with the Mayor to discuss any topic they wish.

"There is a lot of passion for the city, and along with that passion comes a lot of good ideas. City Hall belongs to the people, and they should be able to sit down and meet with the Mayor. I am extremely pleased at the public response to this program."

-Mayor Mark Mallory
